

GL List of Certificates and Documents required on Board

27. Jan. 2012 | GL Guidance | All Shiptypes | Owners

Updated GL List of Certificates and Documents required on Board is available on GL web page.

The GL list provides an easy to read summary of certificates and documents required on board for several ship types. Only certificates and documents required by international conventions and mandatory codes are listed. In addition Port and Flag States might have more extended requirements.

The new "List of Certificates and Documents required on Board" is already available on the GL homepage. Please click [here](#).
